★★★★★ **Maura** a month ago

Had them come out twice to replace shower panel – first one was faulty due to manufacture issues – each time service was impeccable, clean up and disposal included all for reasonable rates

★★★★★ **Mike Foster** 4 months ago

We had Mr.Handyman come out for a laundry list of odds and ends. What would have taken me a weekend or more they were able to knock out in under five hours. I was impressed by both the efficiency and quality of Mike's work.
